

Hello!

It has been a great fall. We had our "Promised Land Celebration" On Saturday of that weekend we had a wonderful time with BBQ, games, J-93.3 on location and beautiful weather. Sunday, our quest minister was Ed Albright, the Executive Presbyter of Greater Atlanta Presbytery. So many of our friends and prayer partners were there to help us celebrate. There were 150 people present. It was great!

This past weekend we had our Harvest Festival and Yard Sale. Thank you to everyone who made wonderful donations and to all who worked so hard. It was a good time to meet some of our neighbors, who came by. We made approximately \$700.00. (That's a blessing!)

We also have two new members who joined this past month:

Deborah Hossbach
And Jo McKinney

We know that as it says in Acts 2 God adds to our number. We are truly grateful.

Another wonderful surprise came our way this month. Pete Guillard has agreed to be our Youth Minister. Pete is on the faculty at GMA College in Union City. He is also an experienced Youth Pastor.
